

Math Questions and Answers

[\[math set questions / diagrams, with answers included here\]](#)

If you – or your students – are working through this set of math questions, we'd love to hear from you. Would you consider being a part of the pilot math teams of students and teachers during the 2009 – 2010 school year? Please let us know.

Send any comments or corrections to Jen Masengarb at the Chicago Architecture Foundation. **archhandbook2@architecture.org**

We welcome your feedback!
